

# METRO NOZZLES

## FIXED GALLONAGE NOZZLE SERIES

The METRO series fixed gallonage nozzles are available in three sizes: METRO 0, METRO 1, and METRO 2.

You get the flow of your choice, flush without shutting down, a selection of optional foam attachments, and models with stainless steel slide valve. TFT's IMPULSE™ trigger valve system is ideal for single-handed operations with METRO 0 and METRO 1.

### Increased Safety

Go from straight stream to fog with one simple twist of the wrist.

### Wide Range of Options

METRO 0 – seven flow choices:  
20-100 gpm  
(50 –378 l/min)

METRO 1 – nine flow choices:  
40-200 gpm  
(150-757 l/min)

METRO 2 – seven flow choices:  
95-325 gpm  
(359-1230 l/min)

Pressures choices:  
50, 75, 100 psi (3,5,7 bar)

### Rugged Construction

TFT METRO Nozzles are hardcoat anodized for maximum resistance to corrosion and wear. In addition, spinning fog teeth are constructed of stainless steel for long life.

## METRO 0, 1.0" (25mm)

The METRO 0 features flush without shutting down, detent flow control, "Gasket Grabber" inlet screen, patented TFT slide valve, and rugged dependability. The METRO 0 models are available with stainless steel slide valve, and optional colored pistol grip and handle covers.

20-100 gpm (150-378 l/min)  
at 75 or 100 psi (5 or 7 bar).

*METRO, tip only model shown.  
Shut-off valve offered separately.*

40-200 gpm (150-757 l/min) at  
50, 75 or 100 psi (3, 5 or 7 bar).

## METRO 1, 1.5" (38mm)

The METRO 1 features flush without shutting down, your choice of molded rubber bumper with "power fog" teeth or stainless steel spinning teeth, detent flow control, "Gasket Grabber" inlet screen, patented TFT slide valve, and the rugged dependability you have come to expect from Task Force Tips. The METRO 1 models are available in tip-only configuration, or with stainless steel slide valve, and optional colored pistol grip and handle covers.

## METRO 2, 1.5" (38mm) or 2.5" (65mm)

Models are offered in a 1.5" (38mm) or 2.5" (65mm) version. All METRO 2's are available in tip only configuration, or with ball shut-off, and optional colored pistol grips and handle covers.

95-325 gpm (359-1230 l/min) at  
50, 75 or 100psi (3, 5 or 7 bar).

*When applicable, colored pistol grip versions are available  
for METRO's on this page, including folding pistol grips and  
colored bail handle covers.*
